VICTORY!

Praise God from Whom all blessings flow!!!

Dear Friends,

February 14, 2008

We have wonderful news to share!!! A running battle of three years has brought victory for the first round!

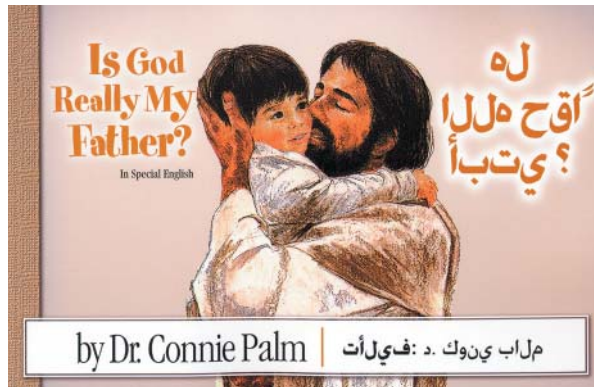

The Arabic Translations of, ***Jesus My Very Best Friend & Is God Really My Father?***
ARE IN PRINT!

● **140,000 Books** are going around the world to strategic Arabic language areas. Several broadcasters, including Trans World Radio, are surveying 100,000 people in ----- . They are giving an *Arabic New Testament* and an Arabic/English copy of *Is God Really My Father?* as a “thank you” for answering their questions. It is estimated these books will be **read by more than 1,000,000 people!** The Lord has provided nearly \$60,000 necessary for this part of the project.

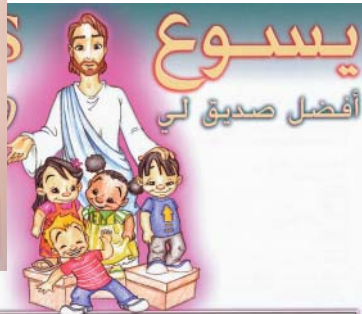

● **Two days ago 20,000 of these books** were delivered to our “temporary” book room.

● **Two days ago I received an e-mail** confirming the completion of the **120,000 books printed in -----!**

These same books in other languages took only three to four months to complete. Satan has fought this one for three years! **YES! This is a wonderful victory! Please help us rejoice!!!**

● **The next part of the battle** is worldwide distribution of these books! We are asking people everywhere to pray that these **paper missionaries** will accomplish the task God intends for them!

● **We are amazed** when we think of how God is using this **Special/International**

English literature around the world. Last year we participated in Book Fairs in England, Amsterdam, Atlanta, Beijing, Hong Kong, Seoul, Frankfurt, Chennai, and St. Petersburg. It is Book Fair contacts that have led to almost every one of the amazing “open doors” God has opened to us.

● **Last year alone**, over **35,000 books** were shipped from Florida! More than **40,000 books** were printed in Europe, Africa, and Asia and are being used in those areas.

● **We are beginning to scratch the surface** of the worldwide thirst for the printed Gospel message. As we do, **the cry only increases.** We are intent on lifting our eyes to behold the fields of the world. They are white, ready to harvest. If you are one who is praying faithfully, Thank You! **Our success is dependent on your prayers!**

May God’s richest blessings be on each of you as we labor together to bring lost souls to Jesus!
